Saving Money and Spending Time: Making Your Own Holiday Gifts

The holidays can be a stressful time as we plan for all the folks on our gift lists – teachers, neighbors, relatives, child care providers, and others. Join us on Saturday, November 7 as we make various gifts for holiday gift giving while having fun and saving money! This workshop is part of United Way’s “Better Home, Better You” workshop series.

Robin Strayer of the Centerburg Senior Center, 119 South Preston Street, will host this workshop at her facility from 9:00 a.m. to 11 a.m. on November 7. Gift making stations will be set up around the Center and all needed supplies will be provided . Students from Cathy Goepfinger’s Centerburg FCCLA class will assist with gift making. All participants will take home completed gifts that day, ready for holiday gift giving!

The workshop is free and includes opportunities to win prizes, but you must register in order to attend. Space is limited. Please call United Way of Knox County at 740/397-5721, ext. 101 to reserve your place. Refreshments will be provided.

This workshop is sponsored by the Knox County Financial Stability Partnership and The Osteopathic Heritage Foundation, in partnership with Mount Vernon Nazarene University.
