Section II. OCBF Application Guidelines

The following information provides guidance for the annual allocation of the state general revenue funds (GRF) to support county Family and Children First Council's (FCFC) operational capacity building.

- The funds shall be used by county FCFC to provide a portion of the salary, fringe benefits and travel expenses necessary to fund the county FCFC coordinator, parental involvement, administrative support, and/or technical assistance.
- The funds shall not be used for direct services or any other costs not included above.
- The funds will be paid to the county FCFC's administrative agent.
- Applications for funding must include the signatures of the county FCFC's administrative agent, council chair, and three family representatives. The required signatures certify that counties meet the guidelines as specified in ORC 121.37.
- Once each county has designated an administrative agent, it is OFCF's expectation that the administrative agent will remain the same for the state fiscal year. OFCF shall be notified in writing within ten (10) days when there is a change in the county FCFC's administrative agent. If there is a change in the administrative agent, please attach the minutes of the county FCFC meeting approving the change. Any monies currently in receipt must be transferred to the new agent. Please note that a change in the administrative agent will result in a delay in the transfer of funds to the county and HMG funds must be returned to ODH to be reissued to the new administrative agent.
- The administrative agent shall maintain the appropriate records of expenditures at all times.
- The FCFC is encouraged to work with local FCFC programming leads to register/upload program information and family support, training events, and resources to Ohio's online resource Red Treehouse. FCFC is encouraged to recruit system partners to register and add similar information.
