EXECUTIVE DIRECTOR’S MESSAGE
Hello Friends,

This year the United Way of Knox County celebrated 70 years of providing funding for local agencies in Knox County. I am impressed as I look back on all that was accomplished since our humble beginnings. In 1951, the average income was $3,531, a stamp was 3 cents, The Lone Ranger was on the television, men wore fedoras, women wore their hair in beehives and a new house cost roughly $15,000. In 1951 the United Way was known as the Mount Vernon Community Chest, where they held a one-day campaign raising $50,000 for five area agencies, two of them were the Salvation Army and The Mount Vernon YMCA, which are still trusted and respected partner agencies 70 years later.

Much has changed over 70 years, but one thing remains, the trust that people have in the United Way of Knox County to invest their hard-earned dollars into quality programming that changes lives for people in Knox County with Financial Stability, Health and Education. I am proud to say that with the guidance of our Board of Directors and the community we should be around many more years to come. I am sure that it will appear different and transform into an organization that will tackle new community challenges, but that is the beauty of United Way. It is an organization that meets the needs of the community, however and whenever it is necessary. On behalf of the many former Executive Directors, Staff Members and Volunteers, I say thank you for your support and here’s to another 70 years!

Warmest Regards,
Kelly Brenneman
FROM THE BOARD CHAIR...

Our Community, Our Mission:

After coming off a year like 2020, where all of our partners and donors gifted beyond our expectations, we are humbled by your continued support in 2021. During 2021, the United Way celebrated its 70th anniversary and with that was another successful campaign. This campaign could not have been possible without the support of our community.

There are a lot of exciting programs and projects taking place in Knox County and we are excited to support the agencies providing these opportunities. During 2021, The United Way of Knox County invested $969,105 in programming. This allowed our agencies to directly invest back into Knox County for many of the needs of the individuals who live and work in our area.

Thank you again for your continued support. We look forward to more successful campaigns, as we prepare to align with our agency partners for a better future for Knox County. Your continued support is vital for our success.

**CAMPAIGN 2021**

In 2021 as you read earlier, we celebrated 70 years of United Way in Knox County. We embraced this milestone as our campaign theme throughout the year. We began the Campaign season with a 70th Campaign kick-off celebration featuring the Cleveland Keys at Ariel Foundation Park on September 3, 2021. During the month of September and the following months we held our very successful “United We Brew”, made campaign presentations to workplace campaigns and area groups, conducted a record Giving Tuesday campaign and, wowed the community with our $5Buck Friday promotions. Due to many ongoing Covid restrictions, we were able to pivot our traditional ways of raising campaign dollars and institute new, creative approaches to help us reach our goal. We are proud to announce that we achieved our target of $1,100,000 to support programming for 2022! United Way thanks all the people who donated, companies who made financial gifts and others who made this a reality. United We All Win!

United We Brew was another resounding success, raising over $20,000 for the 2021 Campaign. Many thanks to our celebrity bartenders, Cindy Cunningham, Denise Conway, Mike DeCosky, and Ryan Sponslor and their legions of supporters who donated and made this a night to be remembered.

We couldn’t let United Ways 70 years of service to the community go unnoticed, so we kicked off the 2021 Campaign with some help from the Cleveland Keys and 200 of our best United Way supporters in style. This program was held at the Schnormeier Event Center at Ariel Foundation Park where everyone ate, sang, and danced the night away while raising money for the campaign.

We love it when companies drop by and leave us checks, thank you Peoples Bank of Marietta!
